Annual Fundraising Gala

I write to you with both a sense of pride and urgency. In 2022, your generous support allowed Peterborough Pregnancy Support Services (PPSS) to make an immense impact on our community. New clients grew by an impressive 35%, client visits saw a 25% increase, and our Closet and Boutiques experienced a surge of 31%, distributing more items than ever before.

This isn't merely a testament to our growth but rather a reflection of the number of lives positively impacted, the hearts healed, and the hope rekindled.

In light of such progress, our calling has grown clearer and more pressing. To further enhance our impact, we're shifting our focus upstream - to reach women before a pregnancy decision is made. This shift is crucial to support those who may feel pressured into decisions they later regret. It's about providing help at the most pivotal of times.

By offering medical services like pregnancy confirmation and STI testing, we will deepen the trust of our clients, providing a safe, confidential haven where they can make informed choices.

We invite you to share in this transformative journey. It is through your generous donations and attendance at our annual gala that lives are changed forever. All proceeds will help us strengthen our baby support services, enriching the lives of both mothers and babies in 2023 and beyond.

Join us, let's light the path together.

With immense gratitude,
