# 40th Anniversary

CELEBRATION & FUNDRAISER

This year marks a remarkable milestone: **40 years of service, care, and compassion** at Peterborough Pregnancy Support Services. As we reflect on the journey, we are deeply humbled by the countless lives touched, supported, and strengthened through this community.

From the beginning, PPSS has stood alongside women and their families during moments of uncertainty, offering not just information, but presence. Our commitment remains the same. We continue to create a space where every woman feels heard, supported, and empowered to make informed choices, free from pressure and full of hope.

We invite you to celebrate this milestone with us at our **40th Anniversary Celebration and Fundraiser**, an evening that promises to uplift, inspire, and unite. **Dr. Laura Lewis**, MD, CCFP, Executive Director of Pregnancy Care Canada, will join us as our keynote speaker. She will share her personal journey as a family physician to national advocate for life-affirming care, reflecting the very heart of why this work matters.

The evening will also feature live music by **Rhythm and Grace**, a beautifully prepared dinner, and meaningful moments of reflection as we look ahead to the future of PPSS.

Your support is what makes this work possible. **Whether by sponsoring the event, purchasing tickets, or making a donation, your generosity ensures that women and their families in our community continue to receive the care, support, and compassion they deserve.** Every gift strengthens our ability to offer hope and walk alongside those facing difficult decisions.

**Will you join us in celebrating 40 years of impact and stepping confidently into what comes next?**

With gratitude,

**Helen DeLuna**  
Executive Director  
Peterborough Pregnancy Support Services

### **About Peterborough Pregnancy Support Services**

Peterborough Pregnancy Support Services (PPSS) is a Christian-based, non-profit organization located in Peterborough, Ontario. We provide free, confidential, and inclusive support to individuals facing unintended pregnancy, parenting challenges, and sexual health concerns. Guided by our mission—unconditional love for your condition—we are committed to empowering women and men with accurate information, practical resources, and emotional support. Our goal is to help each person explore their options with clarity and confidence, so they can make informed decisions and move forward with hope and strength.

### **About the Event**

The **40th Anniversary Celebration and Fundraiser** is the main annual event supporting the mission of Peterborough Pregnancy Support Services (PPSS). Formerly known as the All About Love Gala, this gathering brings our community together to reflect, give thanks, and invest in the future of women and their families.

As we mark 40 years of compassionate service, we invite you to join us for an evening of purpose and generosity. Your support through tickets, sponsorships, or donations directly sustains the essential care and guidance PPSS provides when it matters most.

Together, we can continue to walk alongside those facing unintended pregnancies and help build a future grounded in hope and dignity.
