all about Love
ANNUAL FUNDRAISING GALA

As the seasons change, so too does the impact of Peterborough Pregnancy Support Services (PPSS) within our community. With each passing year, we find new strength, hope, and the opportunity to touch lives in profound ways.

As we look ahead, our mission becomes even more ambitious. Our focus now shifts upstream, aiming to engage with women even before they face a pregnancy decision. This pivotal shift is designed to offer support and guidance at the most critical moments, ensuring that no one feels pressured into a decision that might lead to regret. Through expanded medical services, including pregnancy confirmation, STI testing and ultrasound, we aim to build deeper trust and provide a safe, confidential environment for informed decision-making.

This year, we invite you once again to join us on this transformative journey. Your generosity and support at our annual gala will not only celebrate our collective achievements but also propel us towards our goal of enriching and saving lives. With every ticket purchased and every donation made, we move closer to providing comprehensive support to mothers and babies, lighting the path to a brighter future.

Our gala this year promises to be an evening of inspiration and hope. With the presence of Mark Schultz, whose story of love, adoption, and commitment to life-affirming causes mirrors our own mission, the event is set to leave a lasting impact on our community.

We are reaching out to you with hope and faith, inviting you to renew your commitment to this life-affirming cause. Your support is not just a donation but a source of hope for countless individuals and families in our community. Join us, and let's illuminate the path together, creating a legacy of love and support that will resonate for generations to come.

With immense gratitude,

Helen DeLuna
